One of Turkey's leading producers and converters of polyurethane, melamine and cellulosic foam, SANIFOAM was founded in Istanbul, 1989. She is a young and dynamic company which, with the use of high-tech equipment pool, has gained an international reputation and specialized in the conversion of different kinds of foams for various applications. Using foam, which is her basic production material, for cleaning, acoustics and sound insulation sectors, SANIFOAM has her own factory building of 15.500 m², in an area of 25.000 m², located in Çerkezköy, Tekirdağ, has produced non-woven at Bursa factory since 2008 and covering plants in Eskişehir and Adana serving various fields of industry with a combined workforce of 350 employees.

Being the first and leading in the sector with her over-25-year experience, SANIFOAM uses the latest technology in production of all forms of cutting, forming and shaping equipment as well as gluing and lamination are utilized.

SANIFOAM is audited periodically in terms of quality and ethics by her clients and independent auditing firms, which has enabled her to have the title of "The Certified Only Supplier" of many domestic and international companies.

Additional to her own brand SANITEX, producing private label products for many domestic and international customers, SANIFOAM holds ISO 9001:2000, ISO 14001:2004, OHSAS 18001:2007, ISO 9001:2008, ISO/TS 16949:2009 certifications and BRC Certificate – the first and only in the sector.-

Çevremizde gördüğümüz, yaşantımızı kolaylaştıran, içinde sünger bulunan tüm malzemeleri üreten Sanifoam Sünger 1989 yılında İstanbul'da kuruldu.

Gerek poliüretan, gerek melamin, gerekse selülozik süngerleri biçimlendirerek temizlik sektöründen otomotive, akustik düzenleme ve yalıtımdan beyaz eşyaya kadar pek çok sektöre hizmet eden firmamız aynı zamanda yine tüm bu sektörlerde kullanılan çeşitli non-woven ürünler de üretmektedir.

Marketlerde gördüğünüz temizlik bezi ve bulaşık süngeri de, otomobilinizin taban izolasyonunda kullanılan geri dönüşüm süngerler de, bindiğiniz otobüsün motor bölmesinin yalıtımında kullanılan yanmaz sünger de Çerkezköy, Bursa, Adana ve Eskişehir'de bulunan dört ana fabrikamızın birinden çıkmaktadır.

Sanifoam Sünger olarak biz, 25 yılı aşkın süredir faaliyetlerimizi sürdürmekte olup, 350 çalışanımızla sektörde öncü firmayız.

Süreç içinde ISO 9001 ile başlayan kalite yolculuğumuz ISO 14001:2004, OHSAS 18001:2007, ISO 9001:2008, ISO/TS 16949:2009, sektörde ilk ve tek olarak BRC sertifikası, çalıştığımız firmalarca yada bağımsız denetim kurumlarınca yapılan kalite denetleme ve etik denetleme raporlarıyla desteklenmiş olup, pek çok ulusal ve uluslararası firmanın onaylı tek tedarikçisi olmamızı sağladı.

İleri teknoloji makineler kullanan ve makine parkını sürekli geliştiren firmamız sektöründeki liderliğini koruyarak yoluna devam ediyor.
